

News from The Hummingbird Centre

We've had an extraordinary few months at The Hummingbird Centre, from attending TV and Radio Interviews, Awards, to having local businesses hosting events at The Hummingbird Centre.

We love it when the local community becomes involved with The Hummingbird Centre.

The K2 team.

We can turn the centre around to host a variety of events, one of which was K2 Recruitment Ltd, who hosted a Family Fun Day back in May, bringing back some of the old traditional games for children, face painting, flower pot planting, colouring competitions, fancy dress, bouncy castle and a BBQ.

Then something totally different: ALC, based in Arcott, wanted to donate their time to us. This was perfect, as we were looking to change the courtyard

into an array of colour for the Summer after receiving a grant from Bicester Town Council.

ALC decided to create a morning of activities including flower arranging and bunting making inside, ready for the grand opening of the Courtyard Garden Party, which started at 1pm, Bucks Fizz and Pimms were served along with cream teas and sandwiches, all adding to the great atmosphere of the afternoon.

The next big event that The Hummingbird Centres' Events Team will be responsible for hosting will be our 1950's night in September, at Launton Sports and Social Club. It will be a great night of entertainment and glitz: so come on Guys and Dolls, get those Blue Suede shoes ready and those Poodle Skirts puffed!
